ENDORSEMENTS:

FOLLOW-UPS:

Please note that all matters included in this Report are as reported by the Steward officiating at the Race Meeting.

The euthanasia, fatalities, injuries and incapacitation information in this report was reviewed by the Veterinary Surgeon present at the meeting and reported by the Steward at the meeting at 10.22pm 04/03/2018.

The threshold for recording veterinary examination findings on this Stewards Report is whether an incapacitation period has been imposed upon the greyhound after examination. Veterinarians record all physical findings in their veterinary examination records which are included in the CGRC quarterly Greyhound Racing Injury Report.
